“Training for Early Care and Education”

Course Offerings for Fall 2009/Spring 2010

Training for Early Care & Education 1 and Training for Early Care & Education 2 (TECE 1 & TECE 2) are each 60 hour content courses. Participants can work toward an Apprenticeship Certificate or the Child Development Associate (CDA) training requirement. TECE 1 and TECE 2 are CDA preparatory classes; **they do not automatically guarantee the CDA.**

Successful completion of TECE 1 and/or TECE 2 is one of the options to satisfy the educational requirement to qualify for the positions of Early Childhood Assistant Teacher or Early Childhood Teacher, through Delaware First. Participants are expected to attend all classes and are required to do outside homework assignments, and quizzes in order to successfully complete the class. The sponsors of TECE 1 and TECE 2 require a minimum class size of 12. Classes will be canceled if this requirement is not met.
